

Proclaiming God's inclusive love in and through the Episcopal Church since 1975. www.integrityusa.org

These Episcopal churches WILL welcome you!

Please be aware that most, if not all, churches in the diocese are welcoming of LGBT persons. The churches listed here want to more proactively make their welcome known to all. Some of these churches have many openly LGBT members, while others may have few or possibly none at all.

The Episcopal Diocese of Colorado includes the whole state - <https://episcopalcolorado.org>
